Good shoes are a must for anyone who walks. But for those who walk for fun, the shoes should be both functional and stylish. Here are some of the best shoes for walking, from casual to high-tech, and how to choose the right one for you.

STEP INTO FALL Perfect for yoga, hiking, and more, the Kaley is a versatile shoe that can take you from the gym to the woods. The Kaley is made of leather and has a cushioned sole that makes it perfect for walking on uneven terrain.

SENT PACKING Step into the fall with the Kaley. The Kaley is made of leather and has a cushioned sole that makes it perfect for walking on uneven terrain.

CASUAL COMFORT Step into the fall with the Kaley. The Kaley is made of leather and has a cushioned sole that makes it perfect for walking on uneven terrain.

PERFECT FOR YOU Step into the fall with the Kaley. The Kaley is made of leather and has a cushioned sole that makes it perfect for walking on uneven terrain.
